These policies “elevate standards of sportsmanship and encourage the growth of responsible citizenship among the students, members schools and their personnel,” consistent with the Minnesota State High School League’s Founding Purposes and the belief that sportsmanship needs to have a constant presence in all school-based activity programs. The League and its member schools work intentionally to create safe, welcoming and inclusive environments for fine arts activities and sports in our schools and competitions.

School officials are responsible for the proper conduct of teams, team members, students, and spectators regardless of where the contest is being held. (Bylaw 409).
